**Re: Williams Olefins Feedstock Pipelines, LLC
CPF No. 4-2017-5002M**

Dear Mr. Seeley,

On January 30, 2017, Williams Olefins Feedstock Pipelines, LLC (Williams) received the subject Notice of Amendment ("NOA") from the Pipeline and Hazardous Materials Safety Administration ("PHMSA") dated January 25, 2017. The NOA is the result of PHMSA's inspection of Williams' procedures for operations and maintenance conducted in August of 2015. This letter serves as Williams' formal response to the NOA.

In accordance with the "Response Options for Pipeline Operators in Enforcement Proceedings" enclosed with the NOA, Williams provides the following response:

Response to Notice of Amendment

Williams has elected to not contest any of the identified inadequacies in the NOA. As directed in PHMSA's January 25, 2017 letter, Williams is currently revising the affected procedures and will submit those procedures within 45 days of receipt of the NOA.

Should you have any questions, please do not hesitate to contact me at 713-215-2733.

Sincerely,

A handwritten signature in black ink, appearing to read "Legendre", written over the printed name.

Larry D. Legendre
Manager, Pipeline Safety – Atlantic-Gulf
